

## A real eye-catcher: Noise protection with integrated photovoltaics

**KOHLHAUER VOLTA® offers a whole new world of perspectives in noise protection. Unmatched sound insulation and absorption combined with solar power generation provides a significant contribution to environment protection.**

**Project |** Michaelisfeld Süd II Montessori School  
**Country |** Germany  
**Place |** Neuötting  
**Excusion |** Company BECK Mainburg

**Products |** KOHLHAUER VOLTA®  
KOHLHAUER SCORSA®  
KOHLHAUER ALUFERA®

**Datas |** 5 meters high  
230 meters in lenght  
Approx. 500 sqm of photovoltaic elements  
Power of approx. 60 KWp  
Revenue > 60.000 kWh per year

**R. KOHLHAUER GmbH**
